Agenda 3rd Seminar Day in Hohenwart Forum (15th – 16th Oct, 2015)

Topic: “Chemical Bioconjugation”

Thursday, Oct 15 th	Topic	Who is speaking
until 13:30	Arrival and check-in	
13:30-14:00	Welcome coffee and opening 3rd seminar day	Hans-Achim Wagenknecht
Tutorial	Chair: Tobias Kabbeck	
14:00-15:30	<i>Bioconjugation on surfaces.</i>	Christof Niemeyer
15:30	Break	
Lecture	Chair: Katharina Becker	
15:45-17:00	<i>Cycloadditions and cross-coupling reactions for bioconjugation.</i>	Andres Jäschke Universität Heidelberg
17:00	Break	
Lecture	Chair: Heidi Walter	
17:15-18:30	<i>Application of the Inverse-Electron-Demand Diels-Alder Reaction in Glycobiology.</i>	Valentin Wittmann Universität Konstanz
18:30	Dinner	
20:00	<i>Project cooperation meetings</i>	
Friday, Oct 16 th	Topic	Who is speaking
07:30	Breakfast	
Tutorial	Chair: Mathilde Bichelberger	
9:00-10:30	<i>Organic Reactions for Bioconjugation of nucleic acids.</i>	Hans-Achim Wagenknecht
10:30	Break	
Lecture	Chair: Franziska Beyle	
10:45-12:00	<i>Double the force: Combining fluorescence with bioorthogonality.</i>	Péter Kele Hungarian Academy of Sciences
12:00	Lunch	
13:30-14:00	Short summary and outlook	Hans-Achim Wagenknecht
14:00	Graduates program and departure
